

## Shaken Baby Syndrome Video Review Acknowledgement

Minnesota Statute 245A.144 and Minnesota Statutes 245A.50 require that license holders, staff persons, caregivers and helpers who assist in the care of infants and children under school age in a licensed program must document training on Shaken Baby Syndrome.

Minnesota Statutes 245A.1445 requires viewing of a state approved video on the topic of Shaken Baby Syndrome annually and to complete training on the topic every five (5) years.

Additionally, the video must be approved by the Department of Human Services. The two options are *Portrait of a Promise* and *Never Shake a Baby!*

I, the undersigned, hereby acknowledge the following:
